School of Medicine
Faculty Development Series - 2021

Core Entrustable Professional Activities (EPAs) and Milestones

Dr. Loretta Jackson-Williams
Second Level Dean
SOM – Office of Medical Education

Dr. Brad Ingram
Associate Professor
SOM – Pediatric Neurology

Date: Thursday, June 24, 2021
8:00 AM- 10:00 AM

Educational Objectives
At the conclusion of this activity, the learner should better be able to:
1. Demonstrate the relevance of core entrustable professional activities to the medical education program
2. Link the core entrustable professional activities to the educational program objectives
3. Assess the usefulness of some evaluation tools to assess attainment of the core entrustable professional activities
4. Review the usefulness of the core entrustable professional activities in the handoff from UME to GME
5. Discuss the history of milestones and the importance of milestones in assessing the progression of graduate medical education learner.
6. Understand the current process for assigning milestones, including the Clinical Competency Committee process.
7. Review evolving changes in the milestones process, and new ACGME resources in assigning milestones.
