Apply for Job

1. Once you have selected your position, reviewed the job description and have decided to submit your application, click **Apply**.
2. **Quick Apply** is the first screen of the application. You may upload your Resume/CV to automatically parse your information into the application. Should you choose to use this optional feature, please be sure to review the information to ensure it was parsed out correctly.
   Click **Select files** to upload or drag and drop files in the designated area to attach them to your application. Click **Next** in the bottom left corner to continue.
   a. **Note:** Only one file can be attached at this step. Additional documents such as references and a cover letter can be uploaded later in the application process.
3. On the **My Experience** screen, enter **ALL** work experience, education, skills, and/or languages. Upload all supporting documents (i.e. resume/CV, cover letter, references, etc.) under the Resume/CV section on this screen. Click **Next** to continue.
4. On the next two screens (Application Questions 1 of 2 and Application Questions 2 of 2) complete all fields. Click Next to continue.

5. You have the option to provide Voluntary Disclosures information as well as authorization for background check upon employment offer. You must read and consent to the terms and conditions by checking the box at the bottom of the page in order to continue.

6. You have the option to provide Voluntary Self-Identification of Disability information. You can read and check one of the boxes below, or you can click next to continue.

7. The Review screen is the final step. Review all information for accuracy. Click the back button if you need to make changes. Click Submit when you are satisfied with your application.

9. If you would like to check the status of your application, click the UMMC – Careers-Find Jobs application on the Workday homepage.

10. Select My Job Applications. You will be able to view applications you have submitted and their status.
