

## Submitting a TurnItIn Assignment in Canvas

A Turnitin assignment will appear as an assignment  in Canvas.

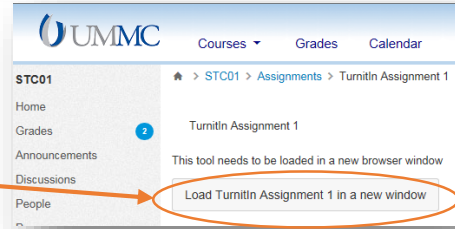

1. In your Canvas course, click the Assignment Name

*Assignment Name may vary.*

*A page will display with the option to open the assignment in a new window.*

2. Click the button **[Load Assignment in a new window]**

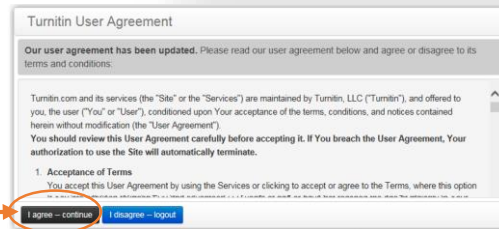

*A page may display to review Turnitin User Agreement*

3. If the Turnitin User Agreement appears, review the agreement and click the **[I agree – continue]** button

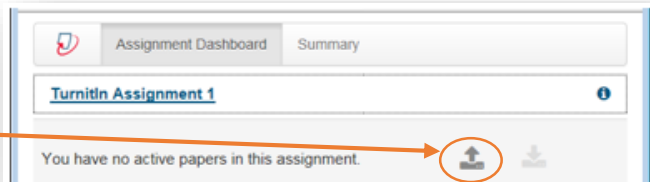

*A page will display showing your Turnitin Assignment.*

*You may click the assignment name or Summary tab to view the assignment details.*

4. Click the Upload button 

*A submit file page will appear.*

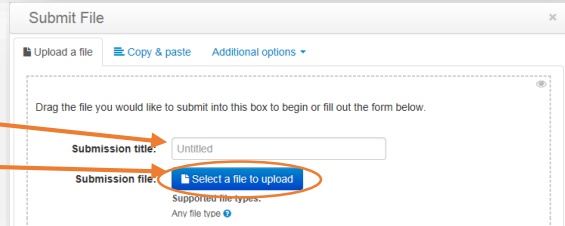

5. Type a title for the submission in the **Submission title:** box

6. Click the **[Select a file to upload]** button and select the document file you are submitting for the assignment.

*Once the paper is loaded you will see the Submit File window*

*You may preview the loaded document text by clicking the 'Click here to preview text' link.*

7. Click the **[Accept submission - Save]** button to submit the assignment

Your submission will be listed on the Assignment Dashboard page.

*After the paper has been submitted you will see a date uploaded along and other options available to you.*

- print a receipt
- download a copy
- upload another, if permitted
- Originality Report, if permitted.  
Note originality report may not immediately be available.
