

University of Mississippi Medical Center

PHARMACY RESIDENCY PROGRAMS

WELCOME TO UMMC

The University of Mississippi Medical Center is the state's only academic health science center. UMMC includes 7 health science schools: medicine, nursing, dentistry, health related professions, graduate studies, pharmacy, and population health. We have 6 hospitals, more than 30 clinics, and more than 200 telehealth sites statewide. Four of our hospitals are located on the main campus in Jackson, Mississippi.

We are Mississippi's ONLY

- Level 1 Trauma Center
- Level IV Neonatal Intensive Care Unit
- Children's Hospital

Our Programs

UMMC Department of Pharmacy Services offers 3 ASHP accredited residency programs. Our 12 month programs are designed to allow residents to develop the skills that are necessary to provide confident and competent pharmaceutical care to a variety of patients.

We offer 6 positions in our PGY1 Pharmacy Residency Program, 1 position in our PGY2 Critical Care Program, and 1 position in our PGY2 Infectious Diseases Program.

APPLICANTS

APPLICATIONS DUE DECEMBER 30, 2020

Applicants should be highly motivated with a desire to receive advanced training to enhance their knowledge, skills, attitudes, and abilities related to the provision of direct patient care and project and practice management. The applicant must be enrolled in or a graduate from an ACPE accredited pharmacy program and eligible for licensure in Mississippi. Applications must be submitted through PhORCAS and must include:

- Application and Curriculum Vitae
- Official pharmacy school transcript
- 3 letters of reference submitted via PhORCAS*
- 1-page letter of intent
- Photo preferred, but not required

*Please see program specific information for details

BENEFITS

Our residents are fully integrated employees of the Department of Pharmacy. Some of the benefits include:

- Competitive salary
- Free covered parking in garage
- 10 paid holidays per year
- State employee benefits
- Health insurance
- Accrual of 12 hours paid personal and 8 hours medical leave per month
