R02

As our war on flurbiprofen in your summer vacation, take a look at this editorial.

ETC expects to remain the cancer council's screenng arm, if it doesn't make a lot of changes. We'll see, but it looks like the council might be thinking of axing the program.

We'll have to wait to know what happens. We'll keep an eye on this.

ETC is expected to remain the cancer council's screening arm, if it doesn't make a lot of changes. We'll see, but it looks like the council might be thinking of axing the program.
