TITLE: Notices of Public Presentation of Theses and Dissertations Policy

PURPOSE: This policy is to establish guidelines for notifications of public presentation of theses and dissertations.

POLICY: All student dissertation defenses shall be publicly announced two weeks prior to a student's public defense. An administrative staff member from the student's respective program sends announcement information to the Graduate School office. The following information should be included in the announcement: Student Name, Program, Dissertation or Thesis, Title of Dissertation/Thesis, Date of Defense, Time of Defense, and Place of Defense. The public announcement will be sent to all SGSHS students, faculty, and fellows, and be posted on the UMMC website.

SCOPE: All SGSHS students.
