School of Graduate Studies in the Health Sciences

DOCUMENT TYPE: policy

REVIEW PERIOD: 3 years

TITLE: Program Review Policy

PURPOSE: This policy is to establish guidelines for the review of graduate degree programs in the School of Graduate Studies in the Health Sciences at the University of Mississippi Medical Center.

POLICY: The program review policy for the School of Graduate Studies in the Health Sciences (SGSHS) at the University of Mississippi Medical Center is based on recommendations of the Council of Graduate Schools and the AAMC. Consistent with the policy at other institutions of higher education, the School of Graduate Studies in the Health Sciences will review each graduate program every five years.

SCOPE: All graduate degree programs within the SGSHS.
