JACKSON, Miss. – Family members of Larry Wells, who was critically injured in Tuesday's helicopter crash, released this statement:

We're thankful for everyone's prayers, thoughts and concerns. We also encourage people to remember the family of Charlie Farmer and to send them prayers of comfort in this difficult time.

We ask that everyone respect our family's privacy at this time. Larry is in critical condition and as there's more concrete information, we will share it. Again, thank you all for your prayers and concerns.
