JACKSON, Miss. – Ridgeland resident Brad Sinclair has been named chief financial officer for the University of Mississippi Medical Center's University Hospitals and Health System.

Sinclair, a certified public accountant and graduate of Mississippi State University, previously served as market chief financial officer for Community Health Systems, encompassing six area hospitals.

He was chief financial officer for River Oaks and Woman's Hospital, Rankin Medical Center/Crossgates River Oaks Hospital, and Riley Memorial Hospital.

#### ABOUT THE UNIVERSITY OF MISSISSIPPI MEDICAL CENTER

Located in Jackson, UMMC is Mississippi's only academic medical center and encompasses six health science schools, including medicine, nursing, health related professions, dentistry, pharmacy and graduate studies. The Medical Center's health-care enterprise includes the state's only level one trauma center and its only children's hospital. UMMC's education, research and health-care missions share the objectives of improving the health of the state's population and eliminating health disparities.
