FACULTY POSITION

Physical Therapy Faculty Position

The Physical Therapy Department of the School of Health Related Professions at the University of Mississippi Medical Center invites applications for 12-month nontenure track faculty position for the Doctor of Physical Therapy program. Candidates should have a clinical doctorate with preference being given to candidates with an academic doctorate and/or evidence of advanced credentials that may include a specialty certification through the American Board of Physical Therapy Specialties, and be eligible for physical therapy licensure in the state of Mississippi. Successful candidates should have clinical expertise in the practice of physical therapy examination, evaluation, and intervention, and demonstrate expertise in teaching within areas of clinical expertise. Experience and teaching content specific to research and evidence-based practice is preferred. The potential to conduct clinical research and obtain external funding is desirable. Rank and salary are commensurate with experience and academic background.

Physical therapy is one of ten departments within the School of Health Related Professions which is located on the University of Mississippi Medical Center campus. The physical therapy program boasts a collegial faculty that is committed to academic excellence, ongoing scholarly endeavors, clinical practice, and team teaching. The qualified successful candidate will have the responsibility of teaching assigned content within the entry-level DPT curriculum, serving the institution as assigned, and maintaining a scholarly agenda.

Faculty at UMMC enjoy the environment of a major academic health sciences campus located in the state capitol of Jackson, with an area population of more than 300,000, that retains its sense of small community and Southern heritage. Review of applications will begin immediately. Please submit a letter of interest, names of three references, and a current curriculum vitae to:
