

# Are you passionate about becoming a leader in today's rapidly changing health care system?

Consider applying to UMMC's **Doctor of Health Administration (DHA) program**, a doctoral program specifically designed for interprofessional leaders interested in shaping the direction of health care. Upon completion of the three year online program, graduates will be prepared to assume leadership roles in academia, health care practice, and health care administration.

February 2018						
Sun	Mon	Tue	Wed	Thu	Fri	Sat
				1	2	3
4	5	6	7	8	9	10
