

Program Focus Day: **November 1, 2019**

Your path to an allied health career

At Program Focus Day, find out what steps lead to an allied health career. Attend small group sessions, led by program faculty, to learn about programs, the curriculum, and the application process. Each session will have a question and answer period, and current students may also be available to visit with guests.

Participate in up to two sessions among the following programs:

- Doctor of Health Administration
- Health Informatics and Information Management
- Health Sciences
- Histotechnology
- Magnetic Resonance Imaging
