

# AGENDA

## Resident Research Day

**Friday, June 15, 2018**

- 7:30 a.m. Registration and Breakfast
- 7:55 a.m. Welcome and Opening Remarks
- 8:00 a.m. **The colored glaucoma graph and indications for treatment**  
*George Spaeth, MD*
- 9:05 a.m. **Assessing central retinal microcirculation changes by optical coherence tomography angiography in patients with sickle cell retinopathy**  
*Ben Pace,, MD*  
*Ching-Jygh Chen,, MD, preceptor*
- 9:30 a.m. **Evaluation of outcomes of corneal collagen cross-linking**  
*Corey Parish, MD*  
*Bo Huang, MD, preceptor*
- 9:55 a.m. **Role of the interphotoreceptor matrix in retinal adhesion and detachment: A critical review and proposal**  
*Lee Jones, MD*  
*Federico Gonzalez-Fernandez, MD, preceptor, and Brian Tieu, MD*
- 10:20 a.m. **Changes in peripapillary blood vessel density in Graves' orbitopathy after orbital decompression surgery as measured by optical coherence tomography angiography**  
*John Bullock, MD*  
*Kyle Lewis, MD, preceptor*
- 10:45 a.m. BREAK
- 11:00 a.m. **Improving ophthalmology clinic follow-up rates after emergency department visits**  
*Jonathan Carrere, MD*  
*Kimberly Crowder, MD, preceptor*
- 11:25 a.m. **Intravascular papillary endothelial hyperplasia presenting as proptosis**  
*Jonathan Feng, MD*  
*Kyle Lewis, MD, preceptor*
- 11:50 a.m. **American sniper: Resident cataract surgeons, are we hitting our targets?**  
*Devin Tran, MD*  
*John Green, MD, preceptor*
- 12:15 p.m. LUNCH
- 1:00 p.m. **PROFESSOR SAMUEL B. JOHNSON MEMORIAL LECTURE:  
I gotta use words when I talk with you**  
*George Spaeth, MD*
- 2:05 p.m. **Surgical outcomes in a 2-year retina fellowship**  
*Jordan Burnham, MD*  
*Brian Tieu, MD, and Ching Chen, preceptors*
- 2:30 p.m. **Comparing optical biometry before and after pars plana vitrectomy eye surgery**  
*David Kilpatrick,, MD*  
*Albert Lin, MD, and Jordan Burnham, preceptors*

- 2:55 p.m.      **An update on post-operative Day 1 and Week 1 complications following pars plana vitrectomy**  
*Jorge Jimenez, MD*  
*Brian Tieu, preceptor*
- 3:20 p.m.      **A case of eyelid metastasis from lung adenocarcinoma**  
*Sneh Dhannawat, MD*  
*Charles Sherwood, MD, preceptor*
- 3:45 p.m.      **An atypical case of lupus vasculitis in a young female**  
*Jeffrey St. John, MD*  
*Kyle Lewis, MD, preceptor*
- 4:10 p.m.      Closing Remarks
- 4:15 p.m.      Adjourn

As mandated by ACCME, all faculty participating in this continuing medical education program are expected to disclose to the program audience any real or apparent conflict related to the content of their presentation. Every effort has been made by the University of Mississippi Medical Center, Division of Continuing Health Professional Education to convey this to participating faculty.

#### **CREDIT**

The University of Mississippi School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians.

The University of Mississippi School of Medicine designates this educational activity for a maximum of 7.25 *AMA PRA Category 1 Credit(s)*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**CEU** - This activity is approved by the University of Mississippi Medical Center Division of Continuing Health Education for a maximum of .725 continuing education units.

#### **Overall Objective**

Upon completion of this seminar, participants should be able to discuss and critically evaluate current ophthalmology research projects and case studies at the basic and clinical science level.

The University of Mississippi Medical Center offers Equal opportunity in employment and education, M/F/D/V.
