

The Department of Otolaryngology & Communicative Sciences 2nd Annual Day of Giving at the MS Food Network

Friends and family are welcome, including children ages 8 and up.

We will be packing 30lb boxes of food for distribution to the numerous centers that feed 150,000 hungry Mississippians each month! Last year, with several other volunteer groups, we boxed over 80,000 lbs of food. Help us exceed that amount this year!

Please respond by February 4th
