

# Manage Your Library Account Online

The “My Account” feature of Rowland Library’s online catalog allows you to:

- View and renew currently checked out items. (Whether in person or online, only one renewal is allowed per item).
- View hold requests.
- View any fines or blocks.

## PROCEDURE

- Visit the library website at <http://www.umm.edu/library>.
- Click on the **Library Catalog** link under the **Resources** header.
- Click on the **My Account** tab.
- Enter your **Borrower ID which is the first group of five numbers** found on the back of your UMMC Identification badge. **If the first number is a zero, it should not be entered.** For example, on the badge below, only the numbers 1234 would be entered.
